PRESIDENT'S FOREIGN INTELLIGENCE ADVISORY BOARD

February 15, 1983

Dear Mr. President:

It is my privilege to forward the second semi-annual report of the President's Foreign Intelligence Advisory Board.

In the interest of brevity, most of the report includes only those subjects for which we have specific recommendations.

Since so little time has elapsed, our report does not contain a "report card" on the status of Board recommendations you have already approved. In the future, we will give you such status reports on a regular basis.

We continue to find that the Intelligence Community is both cooperative and willing in responding to our needs. With gratitude for your continuing support of the Board, I am

Respectfully yours,

Anne L. Armstrong
Chairman
